Reference to EC Directive: Reference to the following directives was seen in the Declaration of Conformity: EMC Directive 2014/30/EU LVD Directive 2014/35/EU (Annex IV)	TRADEMARK:
REMARKS: <p>This certificate has been issued on a voluntary basis. Assessment of the product(s) and the production process is not covered by this certificate. It is duty and full responsibility of the manufacturer to carry out all necessary safety assessment of the product(s) according to all related EC Directive(s), relevant and valid standard(s) before putting into market/service, affix CE mark and issue EU Declaration of Conformity. The CE symbol shown on this document does not indicate or imply the CE Marking of the product or assessment on the safety and compliance of the product. The manufacturer shall affix CE mark on the product(s) according to 2014/30/EU Article 16 & Article 17, only if the product(s) fulfill the relevant essential requirements and with the official drawn-up EU Declaration of Conformity. Technical File should be drawn up according to 2014/30/EU Article 7 for each type/model of related product(s) by the manufacturer and/or his authorized representative in order to assure conformity with the essential requirements which demonstrate that the product complies with the requirements of related directives/standards and must be compiled in one or more official Community languages. Before placing the apparatus into market/service, the manufacturer or his authorized representative shall ensure that the obligations given under 2014/30/EU Articles 7,8,9 & 10 have been fulfilled and Technical File in accordance with related directives/standards is available.</p> <p>The manufacturer shall draw up a written EU declaration of conformity for an apparatus model and keep it together with the technical documentation at the disposal of the national authorities for 10 years after the apparatus has been placed on the market. The EU declaration of conformity shall identify the apparatus for which it has been drawn up. For imported products, the importer must take the responsibility for the DoC. This certificate does not indicate the compliance to article 14, Annexes II & III of the EMC Directive. NOTICE declares that the only scope of the certificate is to verify the existence of the declaration issued by the manufacturer or an applicant under its own responsibilities.</p> <p>This certificate consists of 1 (one) page.</p>	
This Certificate is valid Until: 23.06.2025 Date of Issue: 24.06.2022
